Hockessin, DE Resident Edward Tucker Elected to People to People International Board of Trustees

Kansas City, Missouri USA – October, 2010 - People to People International (PTPI) is proud to announce the election of Edward Tucker to the PTPI Board of Trustees. PTPI Trustees are nominated by PTPI Chapter Presidents or a current Trustee. They are elected by PTPI's Board of Directors. Tucker will serve a three-year term, beginning in September, 2010. He was elected during PTPI's recent Worldwide Conference in Scottsdale, Arizona, which brought together more than 130 delegates from 15 countries around the world.

The Board of Trustees is made up of PTPI members who have a strong sense of stewardship of PTPI's mission and who identify with the purpose, goals and objectives of the organization. At both national and international levels, Trustees represent PTPI to the public. Valuable assets to the present and future success of PTPI, Trustees contribute their expertise, provide advice, participate in programming and support PTPI humanitarian initiatives.

“We could not be more pleased that Ed is bringing his significant knowledge and experience to our Board of Trustees. I look forward to working with him to promote peace through understanding,” said Mary Eisenhower, president and CEO of PTPI and granddaughter of the organization's founder, President Dwight D. Eisenhower. “It is inspiring, and a true testament to the character of the members of our Board of Trustees, that so many people around the world are willing to dedicate their time and talents to our mission.”

A member of PTPI since 2003, Tucker was first elected President of PTPI's Delaware Chapter in June, 2005. He was reelected in June, 2009 for another 2 year-term. His superb leadership skills and vast knowledge and experience in international affairs are valuable assets to the chapter. Extremely detail oriented and always willing to contribute when a need arises, he has been instrumental in developing chapter events and programs to benefit the local community.

People to People International (PTPI), with World Headquarters in Kansas City, Missouri USA, was established by President Dwight D. Eisenhower on September 11, 1956 to enhance international understanding and friendship through educational, cultural and humanitarian activities involving the exchange of ideas and experiences directly among peoples of different countries and diverse cultures. Today, as a NGO with a U.S., not-for-profit, [501 (c)(3)] tax rating, PTPI has a presence in 135 countries with more than 80,000 families and individuals actively participating in People to People International programs.
