

Dear Friends and Members,

Gathering virtually has been our PTPDE goal since the Covid-19 pandemic stopped all active, in-person programs. We hope that you have joined us via Zoom as we have presented: **Year of the Woman: Courageous Women of the World; Covid-19: Focus on Africa;** and **Circle of Understanding: Tajikistan.** We also offered our *Art from the Heart* exhibit during **Peace Week Delaware.** <http://www.peaceweekdelaware.org/events/art-from-the-heart-know-justice-know-peace/>.

If you wish to offer creative ideas for programs, please contact the Board at info@ptpde.org! We contemplate opportunities to partner with other organizations to connect with people around the world using Zoom. The possibilities are endless and you can help make that happen!

If you wish to be more involved, please let us know as we have openings on our Membership, Programs, and Public Relations committees. Also you could join our Books for Youth or Peace Week Projects. It is a fun way to meet and interact with more people in our Chapter!

If you wish to donate at a higher level, we would appreciate your added support during this challenging year of 2020.

It is inspiring to witness the members of PTPDE stepping up to provide countless volunteer hours. Why do we get so involved? Because we all believe that we can make the world a better place by building relationships with other peoples around the world. **We welcome you to join us!**

Thank you for the opportunity to serve PTPDE!
